**WARNING:**

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

**STATEMENT FOR DELAY IN PAYMENT OF THE MAINTENANCE FEES**

Sir:

Petitioner states that the delay in payment of the maintenance fees for the following patents is unintentional:

6,808,840; issued 10/26/2004

6,811,916; issued 11/2/2004

6,852,443; issued 2/8/2005

6,924,058; issued 8/2/2005

Neah Power Systems is a technology company, and has put significant emphasis on innovations and intellectual properties. Neah Power Systems first became aware of the abandonment status of the above-mentioned patents after recently being informed by its counsel and has immediately taken actions to correct the situation.

Petitioner states that the delay in payment of the maintenance fees for the above mentioned patents is unintentional, and respectfully requests that the delayed payment of the maintenance fees be accepted and the patents reinstated.

Respectfully submitted,

/Tue Nguyen/
